This survey was conducted on the telephone, by trained interviewers among 1200 adults aged 18 years and over in all states of Australia and in both city and country areas on 15-17 August 2003. Telephone numbers and the person within the household were selected at random. The data has been weighted to reflect the population distribution. Copyright at all times remains with NEWSPOLL. More poll information is available at <http://www.newspoll.com.au>
